

Role: Wealth Management

Location: Mumbai

Company Profile:

We started operations in 2008, building a strong advisory practice as opposed to a commission-based model. By aligning our interests with our clients, we have earned the trust of more than 10,000 families and we advise them on more than USD 15 bn of assets under advice, distribution and custody. This makes IIFL Wealth & Asset Management India's largest private wealth management firm in terms of assets under advice (AuA).

We, at IIFL Wealth & Asset Management, always put people first. Our employees own 25% of the company, ensuring the mutual success of our clients and employees. We have been named the Employer of Choice, because of our work culture and ethics, which is why we have the fastest growing Relationship Managers team in the industry. And at 1%, we have the lowest attrition rate in the industry.

Headquartered in Mumbai, we have offices across the country in locations such as New Delhi, Bangalore, Chennai, Hyderabad, Kolkata, Pune, Goa, Ahmedabad, Baroda, Chandigarh, Jaipur, Ludhiana & Kanpur. Internationally, we are present in New York, Houston, London, Geneva, Mauritius, Dubai, Singapore & Hong Kong.
