

IIFL ALTERNATE ASSET ADVISORS LIMITED
ANNUAL REPORT FY 2015-16

DIRECTORS' REPORT

To the Members,

Your Directors have pleasure in presenting the Fifth **Annual Report** of IIFL Alternate Asset Advisors Limited ("**the Company**") together with the Audited Financial Statements for the year ended March 31, 2016.

1. Financial Results - The highlights of the financial results for the year under review are as under:

(Rs. In million)		
Particulars	2015-2016	2014-2015
Gross Total Income	290.77	17.60
Less: Expenditure	184.14	8.66
Profit /(Loss) Before Taxation	106.63	8.94
Less: Taxation - Current	21.05	2.82
- Deferred	0.00	0.24
- Short or Excess Provision of Income Tax	0.16	(0.24)
Net Profit / (Loss) After Tax	85.42	6.12

2. Review of Business and Operations:

During the year under review, the gross total income of the Company has increased significantly to Rs. 290.77 million from Rs. 17.60 million in FY 2014-15 and the net profit after tax increased to Rs.85.42 million from Rs.6.12 million in FY 2014-15.

3. Macroeconomic Overview:

Indian macro indicators have showed a strong improvement in the last couple of years and in FY16-17. India is likely to be the fastest growing economy in the world. FY15-16 saw a divergence between the macro-economic performance and equity market performance. Though significant improvement was seen in macro-economic fundamentals of India, the same was not reflected in the performance of equity markets. From a phase of low growth and high inflation few quarters back, we have transitioned to a period of low inflation and improving growth. Twin deficits of Fiscal Deficit and Current Account Deficit which started improving in FY15, continued to show improvement. Sharp decline in crude prices and reduction in gold import bill lead to a significant improvement in current account deficit. Inflation (both CPI and WPI) remained within the permissible limits and gave the much needed room to RBI to cut rates after several years.

GDP growth for FY16 is expected around 7.6% levels, which would make India the fastest growing major economy. This has been possible in spite of our rural economy has been a big drag on the overall economic sentiment in the country in last two years due to back-to-back El Nino in the two years.

ALTERNATE ASSET ADVISORS

Equity

FY15-16 has been a lackluster year for Indian equities. Though the first half of the year began strong, persistent selling from the FIIs in the second half on the back of Fed rate hike and Chinese Yuan devaluation, led to erosion of all gains and closed the year down by around 9%. An elusive recovery in earnings growth for corporate India, has been the single biggest disappointment for investors. As India was already trading at significant premium to other emerging market peers lack of improvement in earnings lead to a sharp selloff in the markets.

We expect this trend to change and foresee an economic recovery and earnings growth over the course of FY2017 based on (1) 7th Pay Commission related payouts (about 50 bps of GDP in FY2017), (2) likely normal monsoons and (3) low base of activity in several sectors and of earnings. We do acknowledge downgrade risks but note that the risks are lower after significant downgrades over the past few quarters.

Debt

FY 15-16 saw RBI continuing its stance of cutting interest rates in order to spur economic growth amidst sluggish credit off-take. RBI has cut repo rates cumulatively by 150 bps since the start of the easing cycle, however only half of that has been transmitted through to the end borrowers. To ensure better transmission the RBI narrowed the policy rate corridor from +/-100 basis points to +/- 50 bps. We expect RBI to maintain its easing bias as growth environment is weak and inflation is under control. However, the pace of cuts is likely to be slower and the RBI would be focusing on ensuring better transmission. A better than expected monsoon would be keenly watched as RBI could base its future monetary stance depending on the monsoon outcome.

4. Dividend:

In view to conserve resources, your Directors do not recommend any Dividend.

5. Transfer to Reserves:

During the FY 2015-2016, the Company has not transferred any amount to the General Reserve.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement

Deloitte Haskins & Sells (Registration No. BA 97449) a partnership firm was converted into Deloitte Haskins & Sells LLP (LLP

Identification No. AAB-8737) a limited liability partnership with effect from 20th November 2013

including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date.

Other Matter

The audit of financial statements of the Company for the year ended 31st March, 2015 was carried out by the previous auditors of the Company.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under section 133 of the Act, as applicable.
 - e) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 (the "Order / CARO 2016") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **IIFL Alternate Asset Advisors Limited** (the "Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

Deloitte

Haskins & Sells LLP

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that

transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

FINANCIALS OF IIFL ALTERNATE ASSET ADVISORS LIMITED

Notes forming part of the financial statements for the year ended on March 31, 2016.

Note 1. Corporate Information:

IIFL Alternate Asset Advisors Limited (the "Company") is a public limited company incorporated under the Companies Act, 1956. The Company is engaged in the business of arranging and distribution of various classes of assets including financial products, real estate, wealth management and private asset management. The Company was acting as Investment Manager to IIFL Venture Fund, IIFL Private Equity Fund and IIFL Opportunities Fund, Category I, II and III-Alternative Investment Funds registered with SEBI and IIFL Real Estate Fund (Domestic) – Series 1, a scheme launched by India Infoline Venture Capital Fund. The Company has ceased its investment managing activities from 1st March, 2014.

Note 2. Significant Accounting Policies:

2.1 Basis of preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the accounting standards as specified under section 133 of Companies Act, 2013 (Act) read with Rule 7 of the Companies (Accounts) rules, 2014, the provisions of the Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year by the Company.

2.2 Use of Estimates:

The preparation of financial statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Difference between the actual result and estimates are recognized in the period in which the results are known / materialized.

2.3 Investments:

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non – current investments. Current investments are stated at lower of cost or market / fair value. Non – current investments are carried at cost. Provision for diminution in value of non – current investments is made, if such diminution is other than temporary. For investment in Mutual funds, the net Assets value (NAV) declared by the Mutual Funds at the balance sheet date is considered as the fair value.

2.4 Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Provisions, Contingent Liabilities and Contingent Assets:

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

FINANCIAL OF IIFL ALTERNATE ASSET ADVISORS LIMITED

Notes forming part of the financial statements for the year ended March 31, 2016 (Continued)

2.6 Taxation:

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India.

Income Tax

Provision for current tax is computed based on estimated tax liability computed after adjusting for allowance, disallowance and exemptions in accordance with the applicable tax laws.

Deferred Tax

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier. Deferred tax is measured using the tax rate and the tax laws enacted or substantively enacted at the Balance Sheet date. The deferred tax asset is recognised or unrecognised, to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available. At each reporting date, the Company re-assesses unrecognized deferred tax assets. Deferred tax liability is recognised as and when arises.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

2.7 Revenue Recognition:

Revenue is recognized to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized.

- Distribution Fee/Commission is recognized on accrual basis in accordance with the terms agreed with the counter party.

2.8 Other Income Recognition:

- Interest income is recognized on accrual basis.
- Dividend income is recognized when the right to receive payment is established.
- Profit/loss on sale of investments is recognized on the date of trade.

2.9 Translation of foreign currency items :

Foreign currency transactions are recorded in the reporting currency at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any, arising out of transactions settled during the year are recognized in the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rate on that date. The exchange differences, if any, are recognized in the Statement of Profit and Loss and related assets and liabilities are accordingly restated in the Balance Sheet.

2.10 Employee Benefits:

The company's contribution towards Provident Fund and Family Pension Fund, which are defined contribution, are accounted for on an accrual basis and recognised in the statement of Profit & loss. The Company has provided "Compensated Absences" on the basis of actuarial valuation.

FINANCIAL OF IIFL ALTERNATE ASSET ADVISORS LIMITED

Notes forming part of the financial statements for the year ended March 31, 2016 (Continued)

Gratuity is post employment benefit and is in the nature of Defined Benefit Plan. The Liability recognized in the Balance Sheet in respect of gratuity is the present value of defined benefit obligation at the balance sheet date together with the adjustments for unrecognized actuarial gain or losses and the past service costs. The defined benefit obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent Assets are neither recognized nor disclosed in the financial statements.

2.11 Operating Leases:

Lease rentals in respect of operating lease arrangements are charged to the statement of Profit & Loss in accordance with Accounting Standard 19 – Leases, issued by the Institute of Chartered Accountants of India.

2.12 Preliminary Expenses

Preliminary Expenses are written off in same financial year in which they are incurred.

2.13 Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

The diluted earnings per share for equity shareholders have been computed by dividing the Net Profit after Tax or loss by the weighted average number of shares after giving dilutive effect of all potential Equity shares

2.14 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

2.15 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilising the credits.

2.16 Borrowing cost

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.
