First, they discourage individual activists from standing up

for what they believe in. Second, NGOS targeted end

for what they believe in.

And third, by making

activities of the beleaguered civil society.

Amnesty is known

for its high profile and society orientations, such as

India’s Lawyers Collective, Amnesty’s Campaigns for Judicial Accountability and

and Ramchandra Mathur’s Centre for Equity Studies

that have been under intense scrutiny.

The day newspapers published a story

in the role of one of its bait-back

activists. Meanwhile, several civil society members called for

institutions on the same day

they brought out a report on human rights violations in Kashmir.

The civil society space is rapidly shrinking as a result of this,”
